▲短文改错(10分)

Last week, I had stayed at the Hyatt Hotel in Chicago for business, and I loved so much that I extended my stay through the weekend!

The hotel was huge, with two building and over 2,000 rooms. My room was big enough or well kept. My bed was very comfortable. The shower was very relaxed. I had a great meal in the hotel and the coffee was such delicious that I went there twice. The fitness center was clean and inspiring. Like the typical Hyatt hotel, accommodations there were far beyond that I thought possible. I will recommend that hotel with those who happens to be in the city.
