- 【语篇导读】本文是一篇记叙文。文章讲述了在老师 Patrick Walsh 的带领下,Catlin Gabel 学校的学生合力种下了俄勒冈州的第一片小森林。若干年后,这片小森林将成为动物的自然栖息地和当地居民的乐园。
24. D. 细节理解题。根据第二段第二句“Tiny forests shorten the time through the planting of all four layers”并结合上文可知,森林通常需要数百年才能长成,但是人工种植缩短了小森林的生长时间。故选 D。
25. C. 细节理解题。根据第三段中的“Something I didn’t really expect was the outpouring of students’ enthusiasm.”可知,Walsh 没有预料到学生们的热情会如此高。各个年级的学生都主动加入种植小森林的活动中,这让他感到很惊讶。故选 C。
26. A. 推理判断题。根据第四段中 Megan Cover 的话“it’s really rewarding and great to be a part of this project and do my bit”可知,她为自己能够参与到小森林项目中为孩子们创造一片具有教育意义的园地感到自豪。故选 A。
27. B. 推理判断题。根据最后一段的“The forest will obviously not solve climate change, but it would deserve the efforts if the kids think about climate change and remember the importance of reforestation(重新造林) and trees when they look at the forest.”可知,Walsh 认为如果孩子们看到小森林时能想到气候变化问题,牢记重新造林和树木的重要性,那他们付出的努力就值得。由此可推断,Walsh 希望小森林能够对学生们起到提醒作用。故选 B。

31. B. 细节理解题。根据第二段中的“Based on the price of adding reservoir(水库) capacities in California, meeting basic water shortages could cost \$ 549 billion if climate change is factored in. Higher water prices would make the adaptation even more expensive if no water could be found at all in the drier future.”可知 A 正确;根据第二段中“global warming could increase the long-term water shortfall to the 1,815 billion cubic metres by adding another 439 million cubic metres of water”可知 C 正确;根据第三段中“Previous study has noted that climate change may convert the American Southwest into a permanent desert.”可知 D 正确;根据第一段中“The situation is getting worse every day with populations in California, Nevada and New Mexico continuing growing.”可知,随着人口的持续增长,情况日益更糟,并没说人口是缺水的主要因素,可知 B 错误。
- 【语篇导读】本文是一篇议论文。文章讲述了作者对于生活中自动化的评价及看法。
32. C. 主旨大意题。根据第一段中的“Nearly everyone agreed that people would be working less once computers and other kinds of automatic machinery became widespread. For optimists, this was a promise of liberation: At last

- humanity would be freed from constant toil, and we could all devote our days to more refined pursuits. But others saw a threat: Millions of people would be thrown out of work, and desperate masses would roam the streets. Looking back from 50 years hence, the controversy over automation seems a quaint and curious episode. The dispute was never resolved. (几乎每个人都同意,一旦计算机和其他种类的自动化机器普及,人们的工作量就会减少。对于乐观主义者来说,这是一种解放的承诺:最终,人类将从不断的劳动中解放出来,我们都可以把我们的时间投入到更精致的追求中去。但其他人看到了一个威胁:数百万人将失去工作,绝望的群众将漫步街头。从 50 年前开始回顾,围绕自动化的争论似乎是一个古怪而奇怪的插曲。争端从未得到解决。)"可知,自从自动化产生,人们对于其孰优孰劣的争论一直持续不断。由此可知,本段主要想表达的内容是自动化的问题仍在讨论中。故选 C。
33. B. 推理判断题。根据第二段中“Automation is not just a new kind of mechanization but a revolutionary force capable of overturning our social order. Whereas mechanization made workers more efficient—and thus more valuable—automation threatens to make them superfluous(过剩的)—and thus without value. (自动化不仅是一种新型的机械化,而且是一种能够颠覆社会秩序的革命力量。机械化使工人更有效率,因而更有价值,而自动化则使他们变得多余,因而没有价值。)"可推知,根据 A. J. Hayes 的说法,自动化是更好发展的革命性力量。故选 B。
34. D. 猜测词义题。根据倒数第二段中“‘So far, automation has neither liberated us from the need to work nor deprived us of the opportunity to work. Instead, we’re working more than ever. (到目前为止,自动化既没有把我们从工作的需要中解放出来,也没有剥夺我们工作的机会。相反,我们比以往任何时候都更加努力。)’”可推知选 D。
35. C. 推理判断题。根据最后一段中“‘Replacing the scientist will presumably be a little harder than replacing the lab technician, but when a machine exhibits enough curiosity and tenacity, I think we’ll just have to welcome it as a companion in zealous research. (取代科学家可能会比取代实验室技术员更难一些,但当一台机器表现出足够的好奇心和韧劲时,我认为我们只能欢迎它作为热情研究的伙伴。)’”可推知,在发展中应合理接受自动化。故选 C。
- 【语篇导读】**本文是一篇说明文,主要说明了如何在社区大学交到朋友。
36. D. 结合上下文考查行文逻辑。根据上文“‘Making friends in community college is a bit trickier than in four-year schools in some cases. Students don’t typically dorm at community colleges, so there isn’t always a shared living environment.’”可知此处是有转折的意思,即虽然有挑战,但并非完全不可能。设空后的“‘Here’s a look at how to make friends at a community college.’”用于引出下文。故选 D。
37. C. 结合上下文考查行文逻辑。根据设空处前一句“‘Previously, you may have only had opportunities to socialize with other students in your classes.’”,即没有兼职前,你的圈子就是你班上的同学。言下之意,有了工作后,就不一样了,因此在兼职的时候遇到新面孔。故选 C。
38. F. 结合上下文考查行文逻辑。根据段落题目以及下文的“‘Whether it’s special lectures, career fairs, musical performances, or anything else, these occasions bring students together outside of the classroom.’”可知本段主要在说明大学各种课内外活动对于社交的影响,因此“‘Community colleges do hold a variety of activities throughout the year’”符合题意。故选 F。
39. A. 结合上下文考查行文逻辑,本题考查段落主题句。根据下文关键词“health”“school’s gym or fitness center”可知本段和体育锻炼有关,所以 work out 符合题意。故选 A。
40. G. 结合上下文考查行文逻辑。根据设空前“‘Needless to say, ignoring your health is absolutely unacceptable.’”和后一句中的“‘start with your pal’”可知,此处旨在说明和某个人一起健身锻炼是有益的。故选 G。

### 【参考范文】

*She knew it would be a difficult journey, but she wanted to share the gold with everyone.* She wanted to ignite the sparks of curiosity and imagination in her peers. Making this her mission, Hannah started telling tales every day at her cottage. She added her own touch of curiosity every now and then to different stories, making them more interesting. In the beginning only her very good friends and her family came to the readings. But the words of her famous tales spread rapidly causing more and more people to come to the readings. Seeing the interest of her own people, Hannah started writing stories of her own too!

*Soon, the words of Hannah's storytelling spread to far-off towns.* People traveled from different places to just listen to her stories. Everyone would gather around Hannah in awe as she told her stories. The old cottage was no longer withering away as people from her own village helped her build the cottage again. And thus, the forgotten treasure lying in the old cottage transformed into a world of infinite adventures, imagination and possibilities. Hannah even conducted workshops in which she taught her fellows how to read and write. Hannah's passion and dedication blew life into the tales and her words breathed new life into countless souls.

### 听力材料

Text 1

W: Pardon me, what is the price of this keyboard? Is it on sale?

M: It is usually fifty dollars, but it is twenty percent off until the 15th of this month.

Text 2

M: What are you going to order? I'm thinking of getting the noodles.

W: Why not try something else? Their Italian dishes are good. For myself, I haven't decided.

M: I had one of those yesterday. Let's split a medium pizza and a large salad then.

Text 3

M: Hey Denise, are you still going climbing at the weekend? I heard there is going to be a storm.

W: Absolutely! If it's bad, I have some good-quality camping equipment and there's somewhere to stay nearby.

M: Okay, be careful and give me a call if you need me.

Text 4

M: Is that the menu for the employees' cafeteria?

W: I think this is yesterday's menu. They have a different one for each day of the week.

M: Where can I get today's menu?

W: They always post it on the employee website.

Text 5

W: What type of movies do you like?

M: I like all sorts of movies, primarily science fiction and action movies. What about you?

W: I kind of like musicals. But my favorite is documentaries.

Text 6

M: Are you free on the weekend?

W: I haven't got any plans yet. Why?

M: There's an exhibition of Chinese paintings at the public library. Would you like to go with me?

W: I'd love to. But when?

M: How about Saturday morning? It's cooler in the morning, and may be less crowded.

W: I'm afraid I cannot get up early on weekends. I prefer Saturday afternoon. Believe me, there won't be too many people.

M: So, shall we meet at 2 o'clock on Saturday afternoon?

W: Great. I'll be waiting for you at my home.

Text 7

M: Have you seen the video for the band's new song yet?

W: Yes, I watched it last night. It's really not like their other stuff, but I couldn't stop listening to it.

M: Maybe I'll start to like it once I've heard it a few more times. I don't think I've ever seen such an incredible video, though.

W: I guess they've hired a Hollywood director to make it—you can tell from the quality.

M: The dancing looks like something from another planet!

W: I think it's the costumes that created that effect. The routines themselves are quite like other videos I've seen.

Text 8

W: Eric, you've recently returned from a cycle trip with your dad across the USA. Why did you want to do this ride?

M: I suppose the usual reason for doing it is to collect money for charity. We certainly did that, and spent a long time with each other too, which was wonderful. But, most importantly, we both fancied doing something really different during the summer holiday.

W: What was a typical day like?

M: Every day was different. Some were good; some were difficult. But all were good experience. It wasn't actually how far we rode that made a day good or bad, it was more what happened. Having a conversation with some local people seemed to make us even happier than feeling the sun on our faces.

W: And have you got plans for doing more cycling?

M: I'm in my final year at school now, and I need to do well to get to university, so it's not the best time for me to go for long rides. I prefer to enter some competitions rather than go cycling on weekends.

W: Good luck, Eric!

Text 9

M: Have you arrived at the airport yet?

W: No, I've just got in a taxi. I'll be there in 20 minutes.

M: Well, our flight will leave in half an hour, so ask your driver to go faster.

W: He's going as fast as he can.

M: What should I do if you don't get here on time?

W: Just go ahead without me.

M: But we're going to visit your parents. Won't it be strange if I turn up alone?

W: No, they'll probably laugh. They always say I need to have better timekeeping. Even as a kid, I was always late for the school bus.

M: Are you sure?

W: Yes, otherwise we'll have to buy two extra tickets instead of one.

M: That makes sense. Well, I'll hold on another 15 minutes, but then I'll need to board.

W: Not a problem. I'll message my parents and ask them to pick you up from the airport.

M: That would be great. I've never been to Edinburgh before. I'm a little bit uneasy about it.

W: It will be fine. See you soon.

Text 10

*Time* magazine is an American news magazine, with editions covering most of the rest of the world. It is the world's biggest news magazine, with a readership of 20 million in North America and 25 million people around the world.

The first issue of *Time* magazine was first published by Briton Hadden and Henry Luce on March 3rd, 1923. It was designed as a magazine which would keep "busy men" up-to-date on the news. The entire magazine was aimed at men. When the magazine started in 1923, there was just US \$ 86,000 at the disposal of the editorial staff. By 1962, gross revenue was at US \$ 326 million. By 2003, the magazine was made up of a combination of reporting, photographs, graphics and analysis that was intended to make the news as clear and informative as possible. This is how the magazine stands now, under the managing editor.

There has been a number of special issues of *Time* magazine, most notably the annual issue which lists the 100 most influential people in the world. The same has been done for the list of the 100 best novels, 100 best movies and 100 best TV shows of all time.
